

**Peer Observation Training, 2<sup>nd</sup> edition**

Updated, in-person peer observation certification and recertification training sessions are available this summer.

**Content:** This learning focuses on building effective peer interactions through the use of collegial conversations grounded in the Kentucky Framework for Teaching and Specialist Framework. Peers learn how to engage in conversations that lead to actionable feedback - helping educators continue their professional growth.

**Who should attend?**

- Educators interested in receiving initial or renewal certification as peer observers
- Educators interested in learning about the benefits of the peer observation process
- Teachers and other professionals serving as peer observers
- Coaches responsible for facilitating the training of peer observers in the district or school.

**Certificate:** A certificate is presented to all educators completing the in-person training. The district has the flexibility of recognizing the certificate as either the initial or renewal certification required for peer observers.

**PD and EILA credit:** It is recommended that districts offer educators three hours of professional development credit for completing the in-person training. Administrators who attend an in-person session will receive 3 hours of EILA credit.

**What if I can't attend in person?** Soon, the Kentucky Department of Education will share details on how to download the offline training package and engage in online training. Ultimately, participants can choose which delivery method best suits their learning style; all modes of learning for Peer Observation Training, 2<sup>nd</sup> edition contain the same content that results in the certification, or recertification, of peer observers.

Date	Location	Session times	Link to Register and Contact Number
June 9	Oldham Co. Arts Center 7105 Floydsburg Road Crestwood, KY 40014 OVEC region	8:30 – 11:30 or 12:30 – 3:30 EST	<a href="#">Morning</a> <a href="#">Afternoon</a>  502-647-3533
